OCEAN RIDGE PLANTATION IS ONE OF NORTH CAROLINA'S BEST COMMUNITIES, SAYS CAROLINALIVING.COM MAGAZINE

Community Is Home Of The "Big Cat" Courses: Tiger's Eye, Panther's Run And Lion's Paw

June 6, 2005, Sunset Beach, N.C. — The community that includes award winning Tiger's Eye, Panther's Run and Lion's Paw Golf Links has been chosen by CarolinaLiving.com magazine as one of the "Best of North Carolina."

Best known for its golf courses, Ocean Ridge is located in Sunset Beach, one of North Carolina's most beautiful barrier islands. The 2,000 acre residential community features 54 holes of championship golf, a pristine nature preserve and a beautiful choice of homes and homesites.

Ocean Ridge Plantation offers its property owners and visitors world class golf on three championship layouts. The "Big Cat" courses include Tiger's Eye, an award-winning Tim Cate design that is distinguished by dramatic elevation changes, large natural waste areas and a coquina-bouldered waterfall. On *Golf Digest's* list of "America's 100 Greatest Public Courses," Tiger's eye is ranked as one of *Golf Digest's* "Best in State," and as No. 6 in North Carolina by *Golfweek* magazine. Cate's Panther's Run design was on *Golf Digest's* list of nominations for "Best New" course when it debuted. Architect Willard Byrd built the third course, Lion's Paw, where some of the most picturesque and challenging golf holes on the Grand Strand can be played. All three of Ocean Ridge's courses have been on *Golf For Women's* prestigious list of "Top 100 Fairways for Women."

A fourth course, Leopard's Chase, is currently under construction.
